Kim:
I actually had already asked for a trace in case you needed it - the originals were sent to MDS via DHL, received on 8/6 (signed for by an Allan S.).

We received PA14 back signed on behalf of MDS by Jon Cole; it was sent back to PM under a cover letter dated 8/13 from Bob (looks like it was sent out by someone whose initials are TAM).

Nonetheless - I would be happy to send you a copy of the the fully executed PA for your files. I'll be able to get that out to you on Tuesday.

Let me know if you need any other information.

Thanks,
Valerie

Valerie,

I have not had any success trying to track down the original signed Project Agreement #14. We show that the two originals left MDS on 15 Jul 2002 and have not returned.

Would you be able to track the originals you sent back to us? If not, we will need a copy of the originals to be sent.

Thanks
Kim
